

# An invitation to grow

Grant Thornton Malta

2017

Sustaining long term growth means looking at many different aspects of the business simultaneously.

Financial measures, operational efficiency, new ways of working and stakeholder relationships all must grow together if dynamic organizations are to fully achieve their objectives. To help unlock potential, we provide world-class advice and support services to back up our clients.

## **About Grant Thornton**

We're a network of independent assurance, tax and advisory firms, made up of 47,000 people in 130 countries. And we're here to help dynamic organisations unlock their potential for growth.

For more than 100 years, we have helped dynamic organisations realise their strategic ambitions. Whether you're looking to finance growth, manage risk and regulation, optimise your operations or realise stakeholder value, we can help you.

We've got scale, combined with local market understanding. That means we're everywhere you are, as well as where you want to be.

## Local feel, global team

Founded in 1975, the Malta firm became a Grant Thornton member in 1991. We truly believe that the service we offer is personal and of top quality, one that will make a significant contribution to your business. We have an instinct to help people achieve their ambitions. From new start-ups or small businesses to large enterprises and public institutions, our clients look to us for objective and impartial support on how their business is performing and how they can achieve their business goals.

When you choose Grant Thornton as your partner and service provider, you will discover what so many companies and organisations have already discovered - the power of enthusiasm and certainty.

We are successful because of our people and because we bring to bear for our clients all that our global firm has to offer. We are a leader in the global marketplace and among the top audit and advisory firms in Malta. Our continued rapid growth is a testament to the certainty our clients experience every day.

Building on more than 40 years of experience, Grant Thornton combines the international reach, depth and expertise of the global brand with the personal attention, value for money, focus and relationship approach of the local team. It is how we keep you moving forward. Initiative you can rely on and knowledge you can trust.

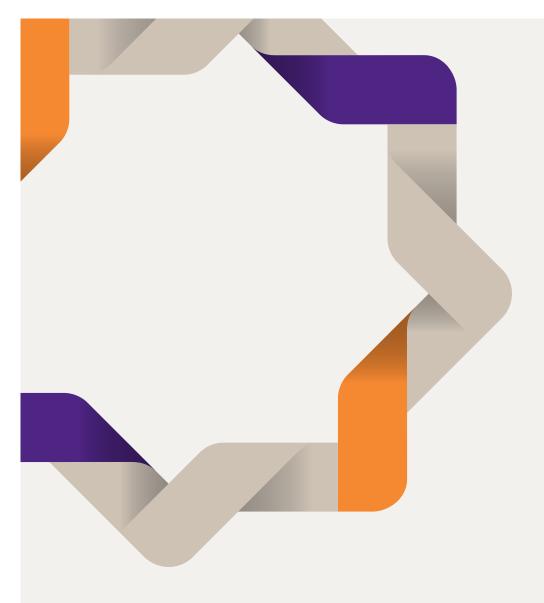

We know that by applying our professional, yet personal business philosophy we will retain the trust and loyalty of our clients, our staff and the wider community. In an increasingly complex and rapidly changing world, it's time to take the lead with Grant Thornton and unleash your potential for growth.

# What makes us different

## How we work with you

Privately owned enterprises, listed companies and their subsidiaries and public sector organisations come to us for our global scale, quality and deep technical expertise. They also value our knowledge of their regulatory landscape and industry standards. But what sets us apart is our client experience.

## We discover what's important to you and make it important to us

Our culture is built on a genuine interest in our clients – their challenges, growth ambitions and wider commercial context. You get the attention you deserve from approachable, senior professionals who ask the right questions, listen and provide real insight and a clear point of view.

## The bottom line

- A relationship-led approach with more time and attention from partners and senior advisers
- A deeper understanding of your business for more meaningful advice and recommendations

### Agile and responsive service

Our size and structure create advantages for you. We adopt a flatter structure, with shorter decision making chains, empowered teams and no complex chains of command. We have all the necessary processes and controls but they're streamlined and efficient. Our teams are more responsive.

### The bottom line

- A faster response when you need quick answers and clarity
- Anticipating the answers you'll need before you ask

## Pragmatic solutions to help you improve and grow

Our teams bring ideas to the table, going beyond the technical issues to recommend ways to make your business better. Whether your goals include expansion, improving operational efficiency or building investor confidence, we balance a desire to do what's best for you in the future with an experienced sense of what's going to help you now.

## The bottom line

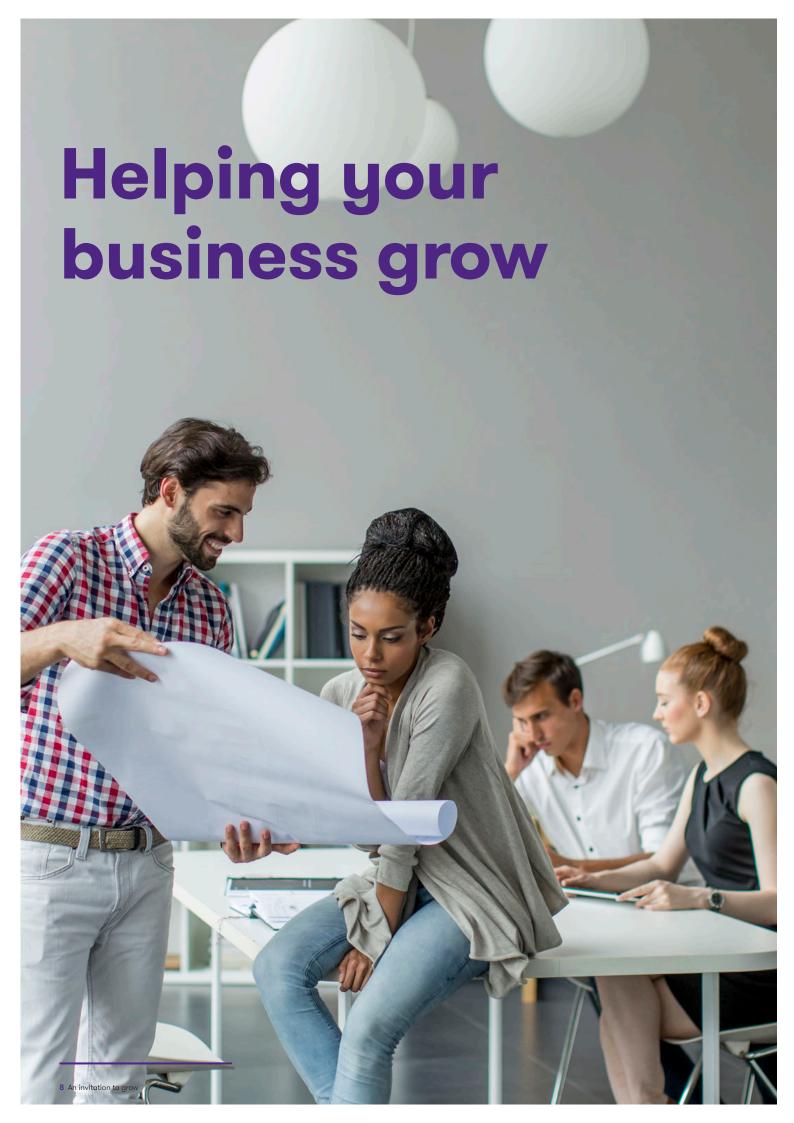

- · Helping you think ahead and think more broadly
- Proactively identifying opportunities for improvement and growth

### Collaborative teams with a different mindset

Our people are open, accessible and easy to work with. We work through the issues alongside you, always with an independent perspective and challenging where necessary. Our collaborative style also enables us to assemble teams across service lines, industries and geographies to tailor our capabilities for you.

### The bottom line

- Teams and solutions built around your needs not our structures
- A better working relationship with you and your team
