

Malta Budget 2021

Highlights

October 2020

Overview

Malta's budget for 2021, which was presented on October 19th by Finance Minister Edward Scicluna, focuses on the country's recovery from the COVID 19 pandemic.

As a result of the Covid-19 pandemic, during 2020 the economic growth shrunk by 6.1% in nominal terms and 7.7% in real terms compared to that of the Eurozone rate of 9%. Finance Minister Edward Scicluna said when delivering the Budget speech, that the country's debt-to-GDP is projected to increase to 55% next year.

Economic growth in real terms is expected to be around 5%. Total revenue for next year is projected to reach €5.2 billion. Revenue from tax alone is projected to increase by 12.5% on the back of economic growth. Total expenditure for next year is estimated to be €5.95 billion, which is almost similar to the 2020 expenditure level. Capital expenditure is expected to decrease by 20% to €793 million next year. Employment is projected to grow by 2.3%, while unemployment is estimated to be 4.0%. Inflation is projected at 1.3%.

	2019	2020		2021
	Actual €000	Budget €000	Revised €000	Budget €000
GDP	13,390,045	14,102,790	12,543,906	13,351,391
Total Revenue	4,972,883	5,451,747	4,681,188	5,198,002
Surplus/(Deficit)	9,357	113,995	(1,220,825)	(751,139)
Public debt	5,708,981	5,560,073	6,895,749	7,825,460

Economy

- No additional taxes will be introduced in 2021
- The tax refund paid in the previous three years will be granted again to employees earning less than €60,000. The refund will vary between €45 and €95 depending on the level of income and tax status of the employee
- The wage supplement granted to businesses hit by the pandemic, will be extended until March 2021
- Government will be allocating €120 million of EU funds to sustain those jobs effected by the pandemic
- The VAT Exemption Threshold is being increased from the present €20,000 to €30,000
- A second round of €100 vouchers will be issued in 2021, €60 of which can be spent in accommodation, hotels and restaurants while €40 can be spent on retail and services
- New incentives, to be administered by Malta Enterprise for SME's investing in technology and innovation, will cover 50% of the costs incurred up to a maximum of €200,000 for each organisation. Malta Enterprise will extend the current schemes namely, Micro Invest, Business Development and Continuity Scheme, Research & Development 2020 Scheme, R&D Feasibility Study Scheme and Business First
- All existing schemes for Gozo will be further extended

Workers and pensioners

- Weekly cost of living increased by €1.75
- Vacation leave entitlement increased by one day to 28 days per annum to compensate for public holidays falling on weekends;
- In-Work Benefits thresholds will be increased to:
 - €35,000 for couples where both spouses are in gainful employment
 - €23,000 for single parents in gainful employment
 - €26,000 for couples where one spouse is in gainful employment
- Re-issuance of Savings Bonds for pensioners who are over 62 years of age
- Persons investing in a Third Pillar Pension will enjoy an increase of €1,000 in the annual financial investment which is exempt from tax to a maximum of €3,000 per annum
- Social security pensions increase by a total of €5 weekly inclusive of €1.75 COLA
- The maximum amount of exempt pension income will be increased to €14,058 and persons claiming married rates will be entitled to a further **tax-free** entitlement of €3,600 in respect of income from other sources.

Parents

- An additional supplement will be paid to those families already receiving children's allowance. A supplement of €70 for each child will be received by families whose income does not exceed €25,318 while all other families will receive €50 for each child
- Foster care allowance will increase by €520 per annum
- A €1,000 grant will be available to couples who decide to adopt a child locally
- Parents who quit work to care for a disabled child older than 16 will be able to access a €300 grant
- Families qualifying for the supplementary allowance will benefit from an increase. Such households will also be eligible to a €150 grant previously allocated to families at-risk of poverty
- A €6,000 yearly grant will be allocated to individuals hiring a carer to look after a person with a disability.

Environment

- New Investment Tax Credits for farmers and fishermen to be announced
- Introduction of attractive package to investors to issue “Green Bonds” to be used to finance projects which promote renewable energy
- As from 1 January 2021 imports of single use plastics will be prohibited. As from January 2022, sale of such products in the market will also be prohibited
- €1.5m will be allocated for vehicle scrappage scheme, where the grant will vary according to the Co2 emissions of the vehicle, with the maximum grant threshold being €7,000. Those eligible for this scheme are private individuals, companies and NGOs
- Extension of measures relating to registration tax and exemption from road renewal license for a period of 5 years from first registration for electric vehicles and plug-in electric vehicles
- Provision of a grant for vehicles to operate with gas, instead of fuel, increased to €400. Eligibility criteria requires a Co2 reduction of 25%
- Total VAT refund on purchase of electric bicycles, motorcycles, scooters and bicycles assisted with electric motor is being extended. Maximum refund of €400.

Health

- New medicines for chronic and mental illness will be added to state-provided medicines list
- Increase of beds for the elderly in public and private hospitals
- A new centre for palliative cancer care will developed in conjunction with Hospice Malta
- The government will unveil a strategy to eliminate hepatitis C.

Property buyers and owners

- First-time buyers of immovable property will now benefit from a stamp duty **exemption** on the first €200,000 of the value of the property (previously €175,000)
- The reduced rates of stamp duty (1.5%) and property transfers tax (5%) on transfers of immovable property applicable on the first €400,000 will be extended to 31 December 2021.

Russell leads Grant Thornton's team of accounting professionals where he applies his expertise in accounting, VAT and taxation matters, whilst also assisting the firm's international clients. Prior to joining Grant Thornton he occupied similar roles with other accounting firms, as well as that of group accountant for a leading group of companies operating in the fashion industry.

A global reach

We discover what is important to you and make it important to us

Our culture is built on a genuine interest in our clients – their challenges, growth ambitions and wider commercial context. You get the attention you deserve from approachable, senior professionals who ask the right questions, listen and provide real insight and a clear point of view.

The bottom line

- A relationship-led approach with more time and attention from partners and senior advisers
- A deeper understanding of your business for more meaningful advice and recommendations.

Agile and responsive service

Our size and structure creates advantages for you. We adopt a flatter structure, with shorter decision making chains, empowered teams and no complex chain of command. We have all the necessary processes and controls in a streamlined, efficient and responsive environment.

The bottom line

- A faster response when you need quick answers and clarity
- Anticipating the answers you will need before you ask.

Pragmatic solutions to help you improve and grow

Our teams bring ideas to the table, going beyond the technical issues to recommend ways to make your business better. We balance a desire to do what's best for you in the future with an experienced sense of what is going to help you now.

The bottom line

- Helping you think ahead and think more broadly
- Proactively identifying opportunities for improvement and growth

Collaborative teams with a different mindset

Our people are open, accessible and easy to work with. We work through the issues alongside you and challenge your ideas where necessary, whilst keeping an independent perspective. Our collaborative style also enables us to assemble teams across service lines, industries and geographies to tailor our capabilities to your requirements.

The bottom line

- Teams and solutions built around your needs not our structures
- A better working relationship with you and your team

Our distinctive client experience sets us apart
